What Office Are You Seeking?

Governor

Please give a detailed explanation of your reasons for seeking this office.

The Republican Party in Oklahoma has been dominated by moderate Republicans and even Republicans in name only for some time now. I witnessed this first hand during my time in the Oklahoma Senate. There is a recent, fresh surge of true conservatism both in the state and across the nation. I believe now is the time to ensure our next Governor is a true Christian Conservative, and I believe I am that person.
