Do You Support The Statements Below?

If NO, please explain . . . (Use back of page, if needed)

1

Constitutional Republic

YES NO

The United States of America is a Constitutional Republic, not a Democracy. Our Constitutional Republic is defined within the United States Constitution, which is the Supreme Law of the land. The responsibilities of the federal government are narrowly defined, and those powers not enumerated are reserved to the States and the People.

2

Limited Government

YES NO

We believe in limited government, individual liberty, natural rights, and personal moral responsibility.

3

Rights Are Granted By God

YES NO

Our rights of life, liberty, and property are natural rights granted to us by God, protected by the Constitution, to be defended by our elected officials.

4

Free Exercise Of Religion

YES NO

We promote the free exercise of religion and our right to worship as we please without government intrusion or interference.

Yes, legitimate religious liberty must not be infringed upon. I'm also committed to safeguarding our security against radical Islam, who do not seek religious freedom, but rather to impose their depraved Sharia Law in our communities.

5

Pro-Life

YES NO

God is the Author and Creator of life. All human life, both born and in the womb, must be protected. Do you oppose abortion? Please, explain.

I am unapologetically Pro-Life and I believe life starts at conception.

6

Parental Rights

YES NO

Parents, not government, have the sole right to act in the best interest of their children, including health decisions and selecting the form of education, whether public, private, or home school.

7

Traditional Marriage

YES NO

Marriage is the union of one man and one woman. PERIOD.

Marriage should only be between a man and a woman.

What Office Are You Seeking?

Governor of Oklahoma.

Please give a detailed explanation of your reasons for seeking this office.

I am running for office because Oklahoma's best days are ahead and I am the only proven conservative who can make our best days a reality.

Are You Currently A Registered REPUBLICAN?

YES NO

For how many full years have you been consecutively registered as a Republican leading up to present?

15 years.

Have You Ever Been Registered With Another Party?

YES NO

If YES, for what other party or parties have you been registered, and for how long.

I have always been a conservative and, like President Trump and a big chunk of today's MAGA movement, I was once registered (many, many years ago) as a Democrat. As the Tea Party movement swept aside the GOP establishment, I proudly switched my registration to Republican, fifteen years ago, along with most of my neighbors in southeast Oklahoma.

I soon became the first elected Republican in District 22 and I have a twelve-year conservative voting record and tenure as Speaker of the Oklahoma House to back up my core conservative beliefs.

These include passing the toughest immigration laws in the nation, cracking down on foreign land ownership across our state, passing the largest tax cut in Oklahoma's history, and banning mutilating gender reassignment surgeries on minors.

Have you ever made a donation to a party or candidate other than Republican? YES NO

If YES, Please list.

Over the last 15 years, I've given only to conservative Republicans.
